

Register/Update Data of Suppliers, Service Providers and Contracting Companies on the MOI web portal

Suppliers, service providers and contracting companies operating in the State of Qatar can add and update their data through the MOI web portal – 'e-services' window, without visiting the Procurement Department at the General Directorate of Logistics.

Suppliers Services

- ◆ Register for the first time
- ◆ Update the previous data
- ◆ Add or modify activities
- ◆ Inquire about the status of an application

Service link on the portal
